The AGM will be held on Monday, 29th Sept at 1.00pm. All members are invited to attend this meeting as it is important that you know what goes on and also to have your input.

Nominations for the Executive and the Committee will need to be thought about. So get your thinking caps on and decide who YOU want to be elected for the various positions.

I WILL NOT be nominating for any Executive or Committee positions.

A reminder that NO ACTIVITIES ARE TO BE HELD ON THE AGM DAY.

CRAFT EXHIBITION RAFFLE TICKETS

The sale of these tickets help defray the costs of holding the exhibition in our hall this year. It is suggested that for the next two Saturday socials, Aug & Sep, that the monthly raffle of 3 tickets for \$1.00 that it be 2 for one raffle 1 for craft raffle. ie \$0.50 for Club, \$0.50 for craft.

The craft raffle has a lot of good prizes to be won.

During the Committee meeting on 11th August, the strains of Happy Birthday was sung. Much to my surprise, and a very pleasant one, in walks Pat Cummins with a candle lit cake for me. The Committee members then all waited for the most important agenda item - me cutting the cake.

Thankyou to all those involved (especially the choir). It was a milestone birthday.

Santo

Today, Monday 11th August. Our Honorary Solicitor, Mrs Barbara Campbell called on us.

She will be meeting the rest of the Committee for afternoon tea in September. We are very glad to meet her and to welcome her interest in our club.

The regular Monday activities are well patronised, the choir is always in good voice but would welcome new members, so come on folk give your tonsils an airing and join in.

Tuesday Bridge is well attended so are the dancing classes.

Wednesday Table Tennis players enjoy themselves immensely as do the Bowlers, Congratulations to Jim Watson who celebrated his 90th birthday on the 8th August and Doll Marks who took her first flight at the age of 93 well done Doll.

They say that Music soothes the savage breast, I must admit that I find the music from the Music Appreciation class very relaxing.

Thursday is always a busy day at the club. The craft people sit chatting on the veranda whilst they knit or crochet producing really lovely work. A Number of people enjoy the cooked lunch and the Hairdresser always seems to be busy. And whilst the folk dancers are tripping the light fantastic the Bridge players try to make their contracts. It's fascinating to watch the Tai Chi and look at the indoor gardening section.

Friday soon comes around with a repeat of Wednesdays program plus more Bridge my best wishes to you all. Pat Summersby
