

The Meridian

A W.S.C. Monthly Publication

ISSUE No. SEPT '97

Dear All,

This will be my last report for the Meridian. First, I must thank the Executive and Committee members who individually and collectively helped in the day to day running of the club in their own capacities as individuals.

For me it has been a pleasure and a learning experience. I thank all the club members for their faith trust and loyalty.

Car Park/Landscaping The draft plan has been studied and seems acceptable. Work will begin soon on the first stage, ie removal of designated trees and forming border lines.

During this time and afterwards, please be considerate and make allowances for others who come in after you.

Also there have been instances where people leaving are driving out the "IN" passage way. This could be an accident waiting to happen.

Other business: Quotes to replace the hall heaters are being considered, but first we must find out the running cost and efficiency of the new heaters

A FAX machine donated by Advance Personnel works and we have found a place to keep it.

The Garden Club hosted an afternoon tea to meet our honorary solicitor on Thu 4 Sep. Executive committee only.

A buy sell and swap board to be put up. This is for individual purposes and does not involve committee responsibility for the items.

Alterations to the vertical blind drawing mechanism over the heater in the extension hall.

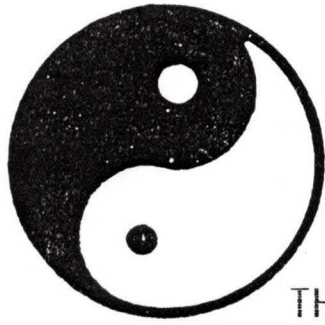

The 286 computer is still for sale.

Finally my best wishes to the incoming committee to continue the good work of the past. I wish for you all a happy and harmonious year ahead.

Santo Giuliano President.

FOLK DANCERS

Last month the Folk Dancers performed at George Forbes House in Queanbeyan. We enjoyed ourselves and our audience seemed to enjoy the dancing. Only a few of the residents and staff joined in our community dances--but it caused great hilarity among the spectators. Our members were very impressed with conditions at George Forbes house, the accommodation, surroundings and staff seemed excellent. A couple of us decided to put our names on the list for future accommodation.

CRAFT EXHIBITION

Tuesday 14 October now seems just around the corner. It will be a busy exciting day with the various craft groups setting up their displays.

How is your entry progressing? We need small items preferably light in colour to readily co-ordinate. Please do not be disappointed if your entry is too large or too dark a contrast in colour to fit in the small allotted space. Judging is Tuesday 14 October in the afternoon; official opening by Lady Deane Wed. morning. Light refreshments will be served to the invited guests. Could you please help in minding the exhibition Wed. 15 afternoon, Thursday 16 from 9.30 am - 5.p.m. and Friday 17 from 9.30 a.m. to 5.p.m. Our Club is responsible for all items and it is only by having many volunteers that the task becomes light. A list for volunteers' times will be put up later.

With the advantage of our attractive and spacious new room, we hope this will be the best Seniors' Craft Display ever. Now the snag - expenses are running high; so far \$ 352 includes postage, duplicating, insurance, hire of screens for display paintings and raffle permit. All visitors from nursing homes receive free morning and afternoon tea. Other visitors pay \$1.50 for Devonshire tea. The nursing homes that participate are given a small gift usually a plant in flower. This gives pleasure to all the disabled residents. The sale of permit raffle tickets is our only source of income.

I regret that I am not well enough to sell raffle tickets at Coleman Crt. so the need to sell within the Club is most necessary. Tickets 50cents each available at the office.

Thank you for your interest
