
The Meridian

Woden Senior Citizens Newsletter

Date: December 1998

Members will have noticed that the air conditioning has been installed, this valuable investment needs to be used according to the manufacturers instructions. Pat Cummins and a number of our members have been shown the correct operating procedures, please refrain from altering these settings. The windows and doors are to be left open during the running of the air conditioner, this enables a steady flow of fresh air. Thanks for your co-operation.

The Christmas giving tree has been a success, the Woden Youth Centre wish to thank all the members for their generous donations. If you have anything to donate to this appeal please bring it in before Friday the 18th December.

Thanks to all those who came and helped at the garden working bee. It was disappointing that so few donated their time to this worthwhile project.

Thanks go to all those who helped with the Club Christmas Party, and for the kind donations of food. It was enjoyed by all those who attended. Darcey Plath did his usual Santa impersonation, thanks Darcey.

Thank you to the choir for an enjoyable concert and morning tea on Monday 7th December, it was enjoyed by those who attended. The choir is noted for their good work outside the club performing in hostels and nursing homes.

We are going to purchase an electric hand mixer and knife block for the kitchen, and we will be providing 25 more coffee mugs.

Does anybody have any memorabilia regarding the Senior Citizens Club, for example newspaper cuttings and photos. We are attempting to compile a chronicle of our clubs history.

We need a chair rail put up in the new room to protect the walls. Is there a handy person in the club who is willing to do this job, it would be much appreciated.

Jack Lazarus is very ill in hospital, we all send Jack and Val our best wishes, and hope he recovers soon.

Kathy Pakis has recovered from her illness, and is back at the club. Everybody has missed Kathy's Monday lunches.

I wish you all a merry Christmas and look forward to seeing you next year.

Any contributions to The Meridian would be most welcome.

Ros
The President
